Lucy's First Step Fund was established to address the needs of parents who have suffered the death of a child. We strive to support those individuals and families as they struggle to cope and adjust in dealing with the loss. We are running a counselor moderated group therapy program as well as providing financial assistance for private counseling and infant burials. Whether the loss was from miscarriage, still born, illness or accident, we feel that everyone should have access to the tools they need to heal in a healthy safe manner.

In loving memory of Lucy Mitchell
